BI-FOLDING DOORS

Heron Joinery®

BI-FOLDING DOORS

Innovative design and full height glazing bring the outside inside, with a 90 per cent unobstructed view allowing natural light to flow through your room.

Available in a variety of combinations, our bi-folding doors are ideal for new build and home extensions, conservatories and patio doors.

Through innovative design and full height glazing the Heron Joinery Bi Folding doors bring the outside, inside, whilst enhancing the flow of natural light entering the home with a clear 90% unobstructed view, as the door leaves fold back on each other.

Manufactured from selective timbers compliant with the classification requirements of BS 942 and from certified sustainable sources.

Additional prominent features and attributes include

- Individual window sections are treated with a double vac preservative which means windows can last up to 60 years
- Anti warp profile section design
- Suitability for openings up to 6 metres wide
- Variable positioning of master locking door
- Secure locking system
- Declared conformance with Construction Product Regulations - Harmonized Standard BS EN 14351+A1 and CE marking
- Use of insulating glass units tested and certified for compliance with BS EN 1279 and BS EN 12150
- Fully weather sealed with materials specified by BS EN 12365-1
- Hardware and fixings corrosive compliance with BS EN 1670
- Hardwood cill as standard
- Available in a range of high performance, durable stains or paint finishes to agreed customer specification

Bi-folding doors are available in a variety of combinations with a variable located main opening access sash, along with 2, 3, 4 and 5 folding sashes, or alternately access can be gained via the folding sashes.

Note: Maximum height 2400mm and individual sashes up to 870mm wide.

The Heron Joinery Bi-folding door is ideal for new build and home extensions, including conservatories. Whilst providing a popular choice for the replacement of existing timber, plastic or aluminium French and Patios doors.

WHO ARE WE

*Crafting
Beauty &
Warmth*

Quality You Can Trust

At Heron Joinery, we have been crafting timber windows and doors for over 60 years. We understand that choosing the right windows and doors for a house is one of the most important decisions that a homeowner has to make. Whether your home is contemporary or traditional, our timber range of windows and doors give you the choice of colours and styles that will add beauty, warmth and value to your home.

Timeless Elegance

We believe in the beauty of wood, crafted and finished to the highest standards. Energy saving, low maintenance and friendly to the environment our doors and windows are made to last. That means unbeatable long-term value too.

Outstanding Choice

We offer a fabulous range of 14 stylish windows and doors. Whether you're a private homeowner looking for beauty and warmth or an architect specialising in conservation, we can tailor each product to meet your needs. You ask - we deliver!

Person To Person

Friendly and flexible, your needs are our priority. We guarantee fast lead-in times, a speedy delivery and can refer you to a further network throughout the UK and Ireland. Just pick up the phone or email us at info@heronjoinery.com. Our welcoming customer care representatives are waiting to hear from you.

HERON JOINERY

Traditional or contemporary,
our joinery is always beautifully
crafted from the finest
sustainably sourced timber.

Our windows and doors give a
distinctive stamp and warmth to
a home and are ideal for any new
build or refurbishment project.
