# FULLY REVERSIBLE WINDOW

Crafted from sustainable materials, these windows can be adapted to a multitude of home and commercial applications. Innovative design and advanced hardware technology allows the sash to protrude to the outside to facilitate the use of inside blinds and curtains.

The Heron Joinery Fully Reversible Window is manufactured from selective timbers compliant with the classification requirements of BS 942 and from certified sustainable sources. It is ideal for a multitude of domestic and commercial applications, as its innovative design and advanced hardware technology provides for the sash to protrude entirely to the exterior of the building allowing interior blinds and curtains etc. to remain unaffected.

#### **Additional prominent features and attributes include**

- Individual window sections are treated with a double vac preservative which means windows can last up to 60 years
- Anti warp profile section design
- Fully weather sealed with materials specified by BS EN 12365-1
- Hardware and fixings subject to corrosive compliance with BS EN 1670
- Restrictor action to control the width of initial opening adding to overall safety
- Espagnolette locking system as standard.
- Ease of cleaning from the interior of the building in accordance with BS 8213

- Ventilation options available meeting Building Regulation Approval Document Part F and complying with BS EN 13141
- Available in a full range of multi light openings with swept heads, cottage bars and applied astrigals
- Exceptional secure external glazing with an extensive range of decorative options available
- Declared conformance with Construction Product Regulations - Harmonized Standard BS EN 14351+A1 and CE marking
- Use of insulating glass units tested and certified for compliance with BS EN 1279 and BS EN 356
- Independent testing to PAS 24 with associated 'Secure by Design' for recognition of enhanced security performance requirements.
- Finished windows available in a range of high performance, durable stains or paint finishes to individual customer specification

The Heron Fully Window is ideal for windows above ground level, particularly in high-rise developments and other inaccessible locations, in new build or for the replacement of existing plastic, steel, and aluminium windows.

# WHO ARE WE

*Crafting  
Beauty &  
Warmth*

## **Quality You Can Trust**

At Heron Joinery, we have been crafting timber windows and doors for over 60 years. We understand that choosing the right windows and doors for a house is one of the most important decisions that a homeowner has to make. Whether your home is contemporary or traditional, our timber range of windows and doors give you the choice of colours and styles that will add beauty, warmth and value to your home.

## **Timeless Elegance**
